HELP! PLEASE!

Our weekly bingo ministry provides a night out and entertainment for many in our parish and local community. It also raises significantly funds for our parish, recently providing air conditioning and heating units for the gym. Many of our bingo volunteers have staffed our Thursday bingo for years (since the days when it provided for the school). They could use a break, and some (young) help. If you have a spare Thursday and can pitch in, let us know. Call Melissa at the parish office.

THE FEAST OF THE EPIPHANY

Father Doughty

Today's celebration marks three mysteries: the star leads the Magi to the infant Christ in Bethlehem; water is changed into wine for the wedding feast in the first of Jesus' signs; and Christ wills to be baptized by John in the river Jordan to bring us salvation. All speak of the revelation (the revealing) of the truth about Jesus. This truth is not a mere historical fact (though factual, it is!) to be gleaned from an almanac or an encyclopedia, but the very Word of God given to us to be discovered, pondered, and embraced. Jesus *is* God's message to us. God says it all, in Jesus! Not surprising, the revealing of Jesus to the world also happens to be the way God reveals the truth to us about ourselves!

Our parish life, its community is an outcome of this mystery and revelation. Not just an institution of the Catholic Church, our unity in this common sacramental life of the parish's prayer and works is a sign of the presence of Christ in our neighborhood. The Church, and therefore, our parish, is said to be kind of *sacrament* herself! As such, all her members become here in this part of the world what St. Paul called "the body of Christ," and are consequently the way Christ reaches out and continues to reveal his Father's love in this time and place. "Now Christ's body is yourselves," wrote St. Paul (1 Corinthians 12), "each of you with a part to play in the whole."

This thought should stir us for it suggests great power is given to us to share with others: the victory of life over death. It suggests great responsibility is handed over to us: to announce the freedom of the Sons and Daughters of God who no longer live in the "the shadow of death", "this vale of tears".

At the beginning of the New Year, many people make promises to themselves in the form of resolutions that are often about personal health, family and friends. In the light of Epiphany, and all that it is about, it makes sense to include promises to ourselves for our spiritual health, our relationship with God, and with the Church (and therefore our parish). What does it profit us to gain the world but lose our lives by neglecting our souls? A resolution to be more attentive to prayer, to avail ourselves of the sacraments (Mass and Confession), and simple kindness toward one another and toward the needy will surely extend

Christmas joy into the rest of the year and reap spiritual benefits not only for ourselves but for those we love. First
